Dear Parents/ Carers,

This letter is about

- ★ Sports Day
- ★ School Money App
- ★ Parents' Evenings
- ★ School Book Bags

Sports Day

In an effort to get organised well in advance we have booked in our sports day for Wednesday 21st July at Stanley Park athletics track and field. This will enable all children to take part at the same time despite the weather. Sport and physical activity is something school will continue to champion for all children to build on their confidence, self-esteem and well-being. We will be taking as many of the children in KS 1 via the school minibus with KS2 walking with staff to Stanley Park to have their lunch together before the excitement begins. We have asked the PTA to provide refreshments for the afternoon, parents are welcome to come along from 12.30 onwards. We will send further details nearer the time.

School Money App

Thank you to those parents who have booked the children into clubs and or school dinners via the APP.

Please could I remind **all** parents to use the APP to book children for clubs or dinners.

This includes children who are in Reception, Year 1 or Year 2 who have Universal Infant Free School Meals even though no payment is required.

For children who are entitled to Free School Meals, parents **must still** book their child in via the APP.

Parents can book children in for the whole term and if they do not have a dinner or do not attend the clubs we can remove them from the register and you will receive a credit back if you have already paid in advance or a reduction in your outstanding balance. Often, this is easier. If you require any assistance with the APP please contact Mrs Montgomery.

Parents' Evenings.

We are proposing to hold parents' evenings on Wednesday 23rd June from 1.30-6.00pm. These can be either virtually or in person with your child's class teacher. Miss Walsh has requested that parents of children in Reception attend in person at some point during the session as she is keen to let you see how it all works. A letter will be going home with your child which will contain further details and a reply slip to return to the teacher with your preference for a virtual or in person appointment.

School Book Bags

Just a reminder if your child still has the fabric book bag at home please could they bring their books into school using this bag. We are finding that the plastic book bags are not suitable or strong enough for the learning logs along with any shoes, water bottles etc. We may have a few left in school for those that cannot locate their bag at home. If you think you may need one, please advise the class teacher via Dojo.

Yours sincerely,

Jennifer Shoulders
