School Holiday

We break up today at normal time for a 2 week half term holiday. **School will reopen at 8.45am on Monday 14th June 2021.** Breakfast and after school clubs are running as normal on these dates. We hope you have a restful and relaxing break and fingers crossed for the sunshine!

COVID Measures

As school is closing today if you need to report a positive case of Covid 19 in the next few days, please e-mail bursar@staining.lancs.sch.uk. School will then follow normal procedure to advise staff and pupils who may have been in close contact with the positive case.

The public situation is continually under review and changing with regard to social distancing, household mixing etc. As a school, we have decided to maintain the current COVID measures in school e.g. separate playtimes and 'bubbles' until the end of the academic year. This will be reviewed in September in line with guidance at the time.

Please attached letter we received from Director of Public Health this morning.

Sports Day

We have booked in our sports day for Wednesday 21st July at Stanley Park athletics track and field. This will enable all children to take part at the same time despite the weather. Sport and physical activity is something school will continue to champion for all children to build on their confidence, self-esteem and well-being. We will be taking as many of the children in KS 1 via the school minibus with KS2 walking with staff to Stanley Park to have their lunch together before the excitement begins. We have asked the PTA to provide refreshments for the afternoon, parents are welcome to come along from 12.30 onwards. We will send further details nearer the time.

Car Parking

We have been advised that some parents are parking cars inappropriately on the roads around the school. **Single yellow lines** mean you can't wait there between certain hours please be aware of the times on the signs around school. Please also be mindful of local residents when parking near their houses and driveways to ensure they have full access to their properties.

Coats and suncream/ sun hats

Please can you ensure your child brings items suitable for the weather every day. The weather is very changeable at the moment so please judge whether they need a thick or lightweight coat and if they will need a sunhat and suncream

Yours sincerely,

Jennifer Shoulders
