

Reading Record and Home Learning

Name

Reception

What do I need to do each week?

Reading

Reading is one of the most important ingredients to becoming all that you can be. Please read your book **at least three times a week** and **complete the three activities** from your book band card inside the cover of your reading books.

Books are only changed once a week (for us, it's a Friday) so please spend the week really delving into the books you've got! Feel free to spend some quality time with your adult at home reading other books too - you may have some nice picture books or a library book you could read together.

Homework

A homework challenge will be sent out every Friday in your reading book bag. This will be linked to the learning that has taken place in class. Please complete the activity and return it to school with your reading book on a **Wednesday**.

Sometimes there might be additional tasks to complete based on your individual targets. Miss Walsh will let your adult at home know about any extra tasks she would like you to work on. Please keep an eye out on your Dojo Portfolios for extra tasks!

Online Learning

Spelling Shed

Studyladder

Please use your login details (sent via Dojo) to access and complete activities on Spelling Shed and Studyladder where you can.

1-2 times a week is plenty.

Topic Work

Our topic this half term is: **Light it Up!**

Our topic themes will include **Space** and **Christmas!**

We would really love to enhance our classroom with artwork or crafts you have created at home linking to each topic.

Please send in anything spacey by **Friday 6th November**.

Anything Christmassy can be send in from **Monday 7th December**.
