KS1 Christmas Nativity

The children are practising hard for the nativity and rehearsals are underway. The videographer will be in on Friday 3rd December to film the performance. This will be the only time we can complete the filming, please can you ensure your child is in school on time and ready for the day. The video will then be sent out to all parents via a password protected link. We will let you know when this will be going out in good time. In order for the children to get changed easily between costumes and rehearsals we would like all the children in Reception, Year 1 and Year 2 to wear PE kit on Thursday 2nd and Friday 3rd December as well as their normal PE day. Miss Walsh would like to remind parents of reception children that your child will need a coat hanger with their name on and a pair of black leggings in school by Monday 29th November please.

Scholastic Book Fair

We have organised for the book fair to be in school from Wednesday 8th to Tuesday 14th December. This will be in the school library after school from 3.30-4.00pm the timetable for parents and children to view the books is as follows:

Wednesday 8 th December	Year 5 and 6
Thursday 9 th December	Year 3 and 4
Friday 10 th December	Year 1 and 2
Monday 13 th December	Reception
Tuesday 14 th December	reserve for last minute

Flu Vaccine

For those children who did not receive the flu spray vaccine this week parents can still register for the vaccine by clicking the link and completing the application. The team will then send you an appointment for the vaccine which will be at your local surgery or clinic. Letter is attached to the e-mail.

Car Park

Despite previous requests for parents not to use the school car park at **ANY** time, I am sorry to say there has been a couple of incidents over the past week where a staff member's car has been damaged to the tune of £600. The car park obviously gets very busy in the morning with staff arriving for work as well as children arriving for breakfast club and it is important that we ensure the safety of everyone is paramount. Whilst we understand the temptation to use the car park after school, please don't! Staff and children need to be as safe as possible in this busy area. Kindly use the Plough car park or elsewhere (without blocking any residential driveways) and walk to school. We really appreciate your support in keeping everyone safe.
