Car Park and Parking

We have received several complaints from local residents regarding parking in the mornings. Please could you ensure that you are parked legally and safely at all times. Also, please could you be mindful of local residents when opening and closing doors as the loud slamming is waking up residents who work night shifts. Thank you to the parents who have been considerate this past week. We would ask that you kindly use the Plough car park or elsewhere (without blocking any residential driveways) and walk to school. We really appreciate your support in keeping everyone safe.

School Money App.

Please could parents log onto the school money app and check any outstanding balances that are showing and reduce or clear them before we close for the Christmas holiday. We are coming to the year end in December and I would like to get as much reconciled and cleared as possible. Thank you.

KS1 Christmas Nativity

The videographer has been in today to film the performance of a Midwife Crisis. It has been a brilliant week for the children who have practised very hard. When it has been produced the video will be sent out to all parents via a password protected link. We will let you know when this will be going out in good time.

Football

Well done to the Girls football team for their fantastic efforts at the tournament on Tuesday although we didn't win the girls had a fabulous time and really enjoyed the afternoon. Thank you to parents for your support in collecting your children from the venue this has been a great help. The boys have been taking part in the tournament today. We hope they have also had a fab time and thank you to parents for your support with collecting the children from the venue.

Minibus update

We would like to say a big thank you everyone who has donated to our Go Fund Me page and a special thank you to Mrs Burns and her colleagues from The Co-Op at Thornton who have raised a huge amount of £150.00 for the minibus fund. We would also like to thank Boundary Primary School for stepping in to help us with our travel needs this Autumn term. Just keep you all updated, we have made enquires to several companies with regards to purchasing or leasing a minibus as soon as possible. We will continue to investigate all possibilities of a minibus for the children so that they can enjoy all the experiential activities that we have planned for this academic year.
