Thought and speech bubbles, diaries, letter, certificates

Year 1

Curriculum Overview

Spring 2

PE days: Monday and Wednesday

Homework handed out: Friday

Homework due in: Friday

Home Readers to be checked/changed: Friday

As such a vital skill for life please try to listen to your child read at least three times per week. Children should bring their reading books into school every day.

Maths

Place Value within 50

Children count to 50, recognise tens, and understand tens and ones. They use number lines and find one more or less.

Length and height

Pupils compare and measure length and height using objects and centimetres.

Mass and Volume

Children explore heavier and lighter, and learn about full and empty while comparing and measuring capacity.

Geography / History

Dinosaurs

Explore what fossils and photographs tell us about dinosaurs, answer simple questions, and use vocabulary such as past, present, before, after and long ago.

Religious Education

Islam

- Allah the creator
- Prophet Muhammad
- Khalifah - caring for the world.

Science

Materials - Investigations

Use prior knowledge of materials to test uses and suitability of different materials.

Seasons - Spring

Explore changes in weather, nature and temperature.

Music

Fairy tales

- Clap, chant and play simple rhythms in time with the pulse.
- Use voices, instruments and dynamics to tell a story.
- Follow signals and instructions when performing.

Physical Education

Gymnastics

Children develop travelling, balancing and rolling skills, building confidence, perseverance and self-control while working safely and creatively.

Fitness

Children improve strength and co-ordination through running, jumping and throwing, while showing teamwork, kindness and determination.

Computing

Animated stories

Children explore stories by comparing books, creating characters and settings, and making simple animations. They learn to add text and sounds to bring their ideas to life.

Online safety - 2BeSafe

Pupils learn how to manage online information safely and understand how technology links to health, well-being and lifestyle.

Art

Birds - Artist: Andrea Butler

Drawing

3D

Design and Technology

Slides and Levers

Mother's Day cards - pop up flower in a pot.

PSHE

Rights and respect

Children learn about kindness, responsibility and caring for belongings. They explore money, helping others and basic first aid, developing respect for themselves and those around them.
